# **AGRICULTURE FOR TOMORROW: DOING MORE WITH LESS**

**Global Agribusiness Forum GAF 2016 –  
4, 5 July 2016 – Sao Paulo - Brazil**

**The challenges !!!!!**

Dr. Luis O. Barcos  
OIE Regional Representative for the Americas

# Index

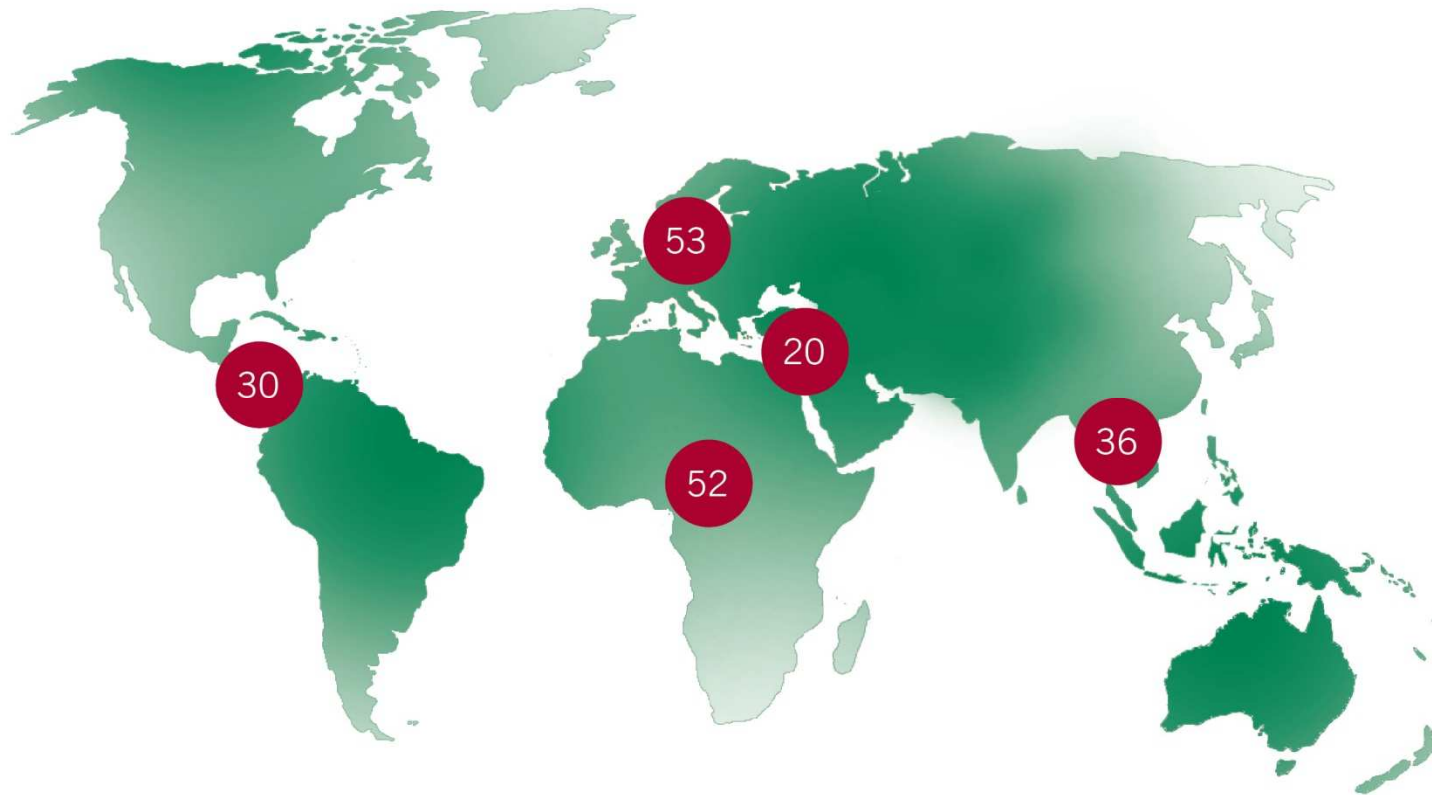

- 1. The OIE in brief**
- 2. Global context**
- 3. OIE policies**
- 4. Conclusion**

# 1. THE OIE IN BRIEF

# 180 Member Countries in 2014

Africa 52 – Americas 30 – Asia, Far East and Oceania 36  
Europe 53 – Middle East 20

Certain countries belong to more than one region

# THE OIE: WORLD ANIMAL HEALTH INFORMATION SYSTEM

**WAHIS**

The WTO MSF agreement of the WTO recognises the OIE as the reference organization for the international standards on animal health, including the zoonoses

## The “3 sisters”

*Food safety*

CODEX

*Animal health and  
zoonoses*  
OIE

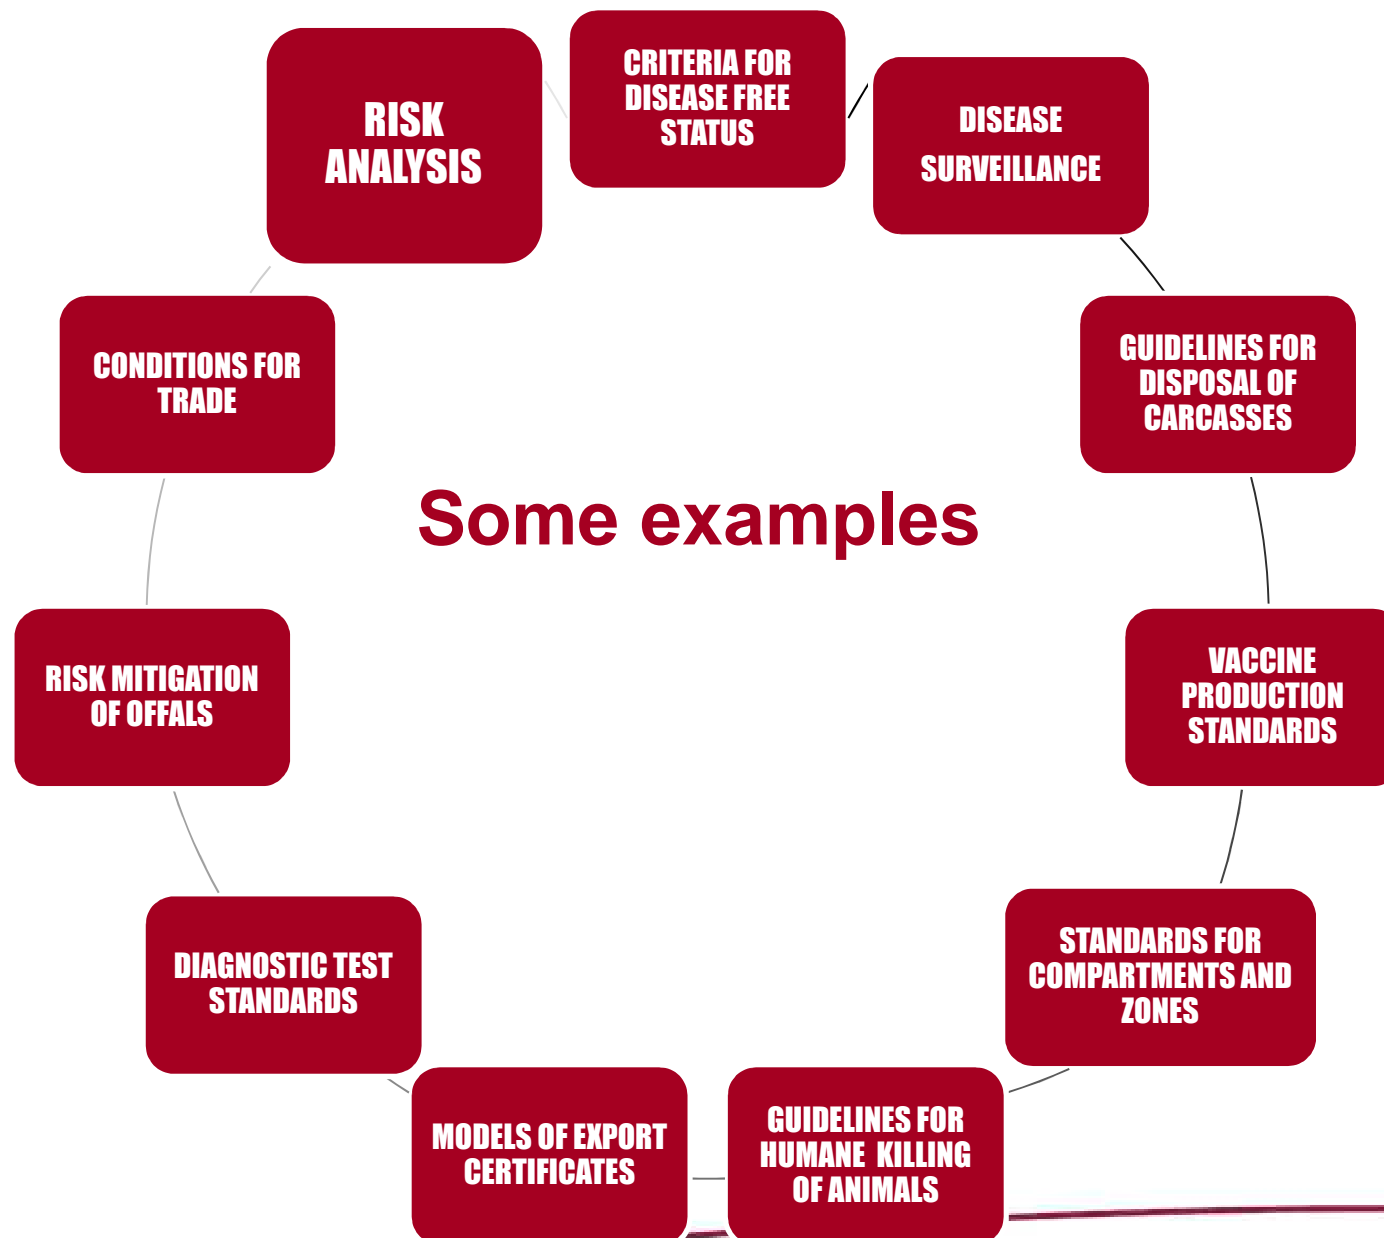

*Plant health*  
IPPC

# OIE Standards

# Index

1. The OIE in brief

## 2. Global Context

3. OIE policies

4. Conclusion

# Globalization

- Growth in global food demand
- Movement of goods and people
- Climate Change
- Biodiversity
- Potential of animal pathogens
  - Public Health
  - Animal Production
  - Trade
  - Bioterrorism
- Diseases emergency and re-emergency

# Benefits of diseases control

- Public Health
- Human nutrition
- Alleviation of poverty (ONE BILLION of low resources farmers).
- Reduction in production losses: > 20 %
- Protection of goods (productive livestock/  
wildlife  
/biodiversity = capital)
- Access to markets: local, regional and  
international

# Index

1. The OIE in brief
2. OIE Standards
3. Global context

## 4. Conclusion

# CONCLUSIONS

**The OIE will continue to support Member Countries**

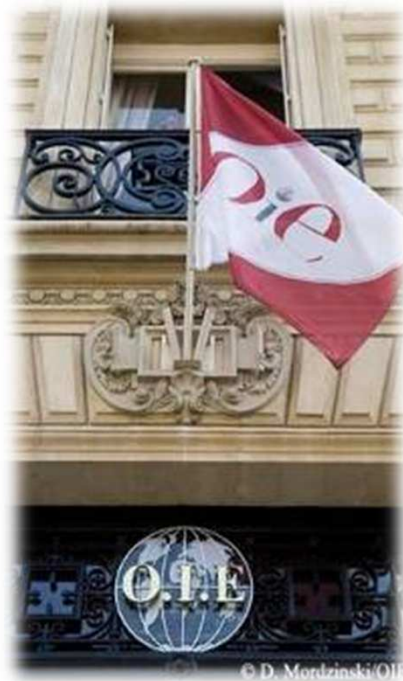

- **Technical and political support for good governance and for the Veterinary Services;**
- **Solidarity and mobilising possible donors for developing countries;**
- **Interaction and PUBLIC-PRIVATE partnerships.**

# Conclusions

- **Animal Welfare**
- **Antimicrobial resistance**
- **Biodiversity**
- **Traceability**
- **ability to adapt to changes**
- **Investment in prevention is better than the cost of crisis**
